RE: FOREIGN FILING BASED ON USSN 699,490
PM 1360
Reddie & Grose: 33314
A Composite Heat Source Comprising Metal Carbide, Metal Nitride and Metal

Dear John:

Please revise the claims as needed. If there are any questions or major changes, you may wish to furnish a set of draft claims for review by Fish & Neave and Jim Schardt, otherwise we will simply wait to receive a copy for our files.

A copy of the formal drawings is enclosed for your files.

Sincerely,

Beverly A. Monroe
